

Classification

- A. Sofas LEON
- B. Sofas INDIE
- C. Sofas FREDIE
- D. Sofas ALFIE
- E. Sofas TONY
- F. Sofas ALIS
- G. Sofas HARMONY

A.1. Technical Data LEON

A.1.1. Sofas with backrest and wide armrests (22 cm)

A.1.2. The base is made of metal and attached on it are the backrest, the armrests and the traverse, which are made of wood. All components are covered with expanded polyurethane foam and are upholstered with material chosen from the Fabric-Leather catalogue of DROMEAS.

A.1.3. They have wooden varnished legs.

A.1.4. The seat cushions are made of high density expanded polyurethane foam and are supported by elastic straps. The backrest pillows are made of bead silicon.

A.1.5. Between seat and backrest cushions there is a hook-loop system, so that the cushion is fastened to the back and remains in the chosen position.

A.1.6. The fabrics of the seat and backrest cushions are removable via zipper. There are also additional armrest covers with pockets for small objects.

Packaging: 1 piece 2-seater (dimensions 1620x940x820H)

Weight: 59,0 kg
Volume: 1,04 m³
Packets: 1

PRODUCT CERTIFICATES:

-

B.1. Technical Data INDIE

B.1.1. Sofas with backrest and narrow armrests (15,5 cm)

B.1.2. The base is made of metal and attached on it are the backrest, the armrests and the traverse, which are made of wood. All components are covered with expanded polyurethane foam and are upholstered with material chosen from the Fabric-Leather catalogue of DROMEAS.

B.1.3. They have wooden varnished legs.

B.1.4. The seat cushions are made of high density expanded polyurethane foam and are supported by elastic straps. The backrest pillows are made of bead silicon.

B.1.5. Between seat and backrest cushions there is a hook-loop system, so that the cushion is fastened to the back and remains in the chosen position.

B.1.6. The fabrics of the seat and backrest cushions are removable via zipper. There are also additional armrest covers with pockets for small objects.

Packaging: 1 piece 2-seater (dimensions 1500x940x820H)

Weight: 59,0 kg
Volume: 1,00 m³
Packets: 1
